

# Reading into Success Story Guides

## Social Emotional Learning

### Before Reading:

- Read the title aloud, along with the author and illustrator. Ask for a prediction on what the book will be about, after showing the cover.
- Do a picture walk by flipping through the pages looking at the illustrations. Let the child make observations. You do not have to read text, unless you want to draw attention to any special features.
- Do you have any special traditions or routines in your family? Why are they still important?

### During Reading:

- What are some of the changes Daisy notices about the city? Are the changes good or bad? Why do you think so?
- Does Daisy enjoy the special time with her father? How do you know?

### After Reading:

- Daisy sees many changes going on around her. Why is she not worried about the changes?
- How did Daisy know her father loved her, even though he had a hard time saying it?

### Putting into Practice:

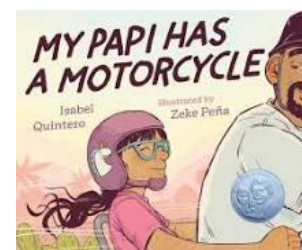

- Are all changes bad? What changes can be good?
- Who is someone you can always rely on? Why do you trust them?
