

# Reading into Success Story Guides

## Social Emotional Learning

### Before Reading:

- Read the title aloud, along with the author and illustrator. Ask for a prediction on what the book will be about, after showing the cover.
- Do a picture walk by flipping through the pages looking at the illustrations. Let the child make observations. You do not have to read text, unless you want to draw attention to any special features.
- Have you ever had to share something you did not want/use anymore? How did it feel when you had to share?

### During Reading:

- How was Peter feeling when he saw all his old belongings now being used by his sister? What makes you think that?

### After Reading:

- Why do you think Peter changed his mind about sharing?

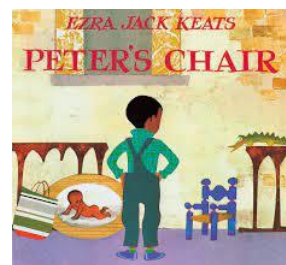

### Putting into Practice:

- Why is it hard to share sometimes?
- Do new brothers and sister replace us? Why does it feel like they do?
- How can new brothers and sisters be positive?
