

# Reading into Success Story Guides

## Social Emotional Learning

### Before Reading:

- Read the title aloud, along with the author and illustrator. Ask for a prediction on what the book will be about, after showing the cover.
- Do a picture walk by flipping through the pages looking at the illustrations. Let the child make observations. You do not have to read text, unless you want to draw attention to any special features.
- How do you react when you hear a storm is coming? Do you like storms? Why or why not?

### During Reading:

- How does your family prepare for storms?
- Does your family have a safe spot? Where is it?

### After Reading:

- What did the neighborhood/people do to prepare for the storm?
- What might happen if you do not have time to prepare for a storm?

### Putting into Practice:

- How did the neighborhood come together? Has our community come together like this before?
- What can we do to feel less nervous/scared during storms?
